Successional Forest	Pinus rigida	R			Pinaceae	
Successional Forest	Poa pratensis	O			Poaceae	
Successional Forest	Polygonatum pubescens	R			Liliaceae	O along walled cart path
Successional Forest	Polygonum persicaria	O			Polygonaceae	
Successional Forest	Populus alba	R			Salicaceae	
Successional Forest	Populus tremuloides	F-C			Salicaceae	D in some areas
Successional Forest	Prunus americana	O			Rosaceae	
Successional Forest	Prunus pensylvanica	R			Rosaceae	
Successional Forest	Prunus serotina	F			Rosaceae	
Successional Forest	Quercus alba	O			Fagaceae	
Successional Forest	Quercus sp.				Fagaceae	
Successional Forest	Rhamnus cathartica	O			Rhamnaceae	
Successional Forest	Rhamnus frangula	F	3		Rhamnaceae	D in some areas
Successional Forest	Rhus typhina	O			Anacardiaceae	
Successional Forest	Rosa multiflora	O			Rosaceae	
Successional Forest	Rubus allegheniensis	O			Rosaceae	
Successional Forest	Rubus flagellaris	F			Rosaceae	
Successional Forest	Salix discolor	R			Salicaceae	
Successional Forest	Smilacina racemosa	O			Liliaceae	
Successional Forest	Smilacina stellata	O			Liliaceae	along walled cartpath

Relative abundance scale = Rare, Occasional, Frequent, Common, Abundant/Dominant  
 Invasive code - 1 = low, 2 = moderate, 3 = high RL = Ruth Ladd

**Arlington's Great Meadows Vascular Plant List - by site and plant genus with invasive status**

Site Name	Plant genus/species/variety	Abun.	Invasive Code	Botanical Family	Plant Notes
Successional Forest	<i>Solidago rugosa</i>	F		Asteraceae	
Successional Forest	<i>Sorbus aucuparia</i>	R		Rosaceae	
Successional Forest	<i>Spirea alba</i> (latifolia)	F		Rosaceae	
Successional Forest	<i>Taraxacum officinale</i> var. <i>officinale</i>	O		Asteraceae	
Successional Forest	<i>Toxicodendron radicans</i> var. <i>radicans</i>	O		Anacardiaceae	
Successional Forest	<i>Tradescantia ohiensis</i>	R		Commelinaceae	
Successional Forest	<i>Ulmus americanus</i>	O		Ulmaceae	
Successional Forest	<i>Viburnum dentatum</i> var. <i>lucidum</i>	O		Caprifoliaceae	
Successional Forest	<i>Viola sagittata</i>	R		Violaceae	

Relative abundance scale = Rare, Occasional, Frequent, Common, Abundant/Dominant
